Throughout your child's stay at St. Vladimir's Camp & the NJSST, staff members will be videotaping footage which will be included in a DVD that will be sold to campers and staff at the end of each session. This DVD will be primarily for the participants as a memento of their experience. However, it will also be used for purposes of promoting St. Vladimir's Camp & the NJSST and its programs. During each session, the staff will be taking photographs of the participants' activities and posting them on St. Vladimir's Camp & the NJSST website (<http://www.stvladimirscampohio.com>). This common practice of many programs keeps parents and friends back home informed of the participants' daily activities. Only participants' first names (not last names) will be used on both the DVD and the website.

Please read the following, complete, and sign below.
